Quattro Groove™

Create a unique and eye-catching interior feature with our grooved Quattro wall & ceiling panels. Offers superior acoustic benefits and endless design opportunities.

The indented lines and sharp groove angle options play with light and shade. Integrate light fixtures or 3-dimensional features for a stunning architectural effect. Choose from our range of patterns or design your own individual artwork.

“We want our clients to feel confident in the decisions they make.

We believe that by providing them with thorough information and involving them throughout the process, we achieve this goal”.
