

Aus Designs™

Aus Design™ is an architectural panel that offers an impressive alternative to the traditional flat wall panels. Available in a variety of designs, colours, textures, sizes, and finishes. These decorative 3-D and 2-D wall panels achieve outstanding designs in every interior space. From stunning lobby walls, to functional surfaces for kitchens and restrooms. They can be used as focal point pieces in every type of interior space. They can also be used as panels for furniture components. The possibilities are endless.
